

Dispute Resolution Policy

1. Introduction

The board of the SSR is committed to reaching a prompt and fair resolution of any disputes, conflicts, or disagreements that may arise from time to time, and that may threaten the functioning of the board.

2. Scope

This policy refers to disputes:

- Between directors;
- By a director regarding a board policy, process, or procedure; and
- By a director regarding a resolution of the board.

3. Policy

The SSR board encourages directors to resolve any issues or concerns that they may have at the earliest opportunity. It is important that as issues do arise, they are dealt with in a fair and timely manner. While some conflicts will be resolved by an informal discussion between the parties, others will need a process for successful resolution. Procedures for dealing with board disputes are set out in section 4 of this policy.

Dispute Resolution Principles

The board has endorsed the following principles for directors to follow:

- Respect for another's point of view;
- Commitment to resolving the issue;
- Willingness to compromise;
- Confidentiality;
- Impartiality;
- Respect;
- Prompt action; and,
- Freedom from repercussions.

This policy does not apply to applications for funding or funding appeals in any funding application under the purview of the SSR. Application policies and application appeal policies are stand-alone policies and supersede this policy.

4. Procedure

- 4.1 The dispute must be set out in writing and sent to the Chair. The Chair, or Managing Director, must acknowledge receipt of this document within seven (7) days.

- 4.2 The chair will use his or her discretion to bring the issue to the next board meeting or call an extraordinary meeting.
- 4.3 When raised at the board meeting, all people involved in the dispute will be given the right to speak.
- 4.4 The matter should be discussed with all directors present, unless they have advised the chair, preferably in writing, that they are aware there is a dispute resolution meeting being held and they are unable to attend.
- 4.5 The Chair will call for a motion from the board, e.g., to appoint an independent assessor, seek mediation, call a special general meeting, or to dismiss the complaint. All directors present at the meeting will vote on the motion.

A board decision may be reviewed in situations where:

- New information has emerged that was not available when the original decision was made.
- The board has become aware of an error in previous information that was used to make the decision.
- A director did not feel able to present his or her case at the time the board made its decision.

5. Mediation

- 5.1. Where mediation is sought, the mediator must be:
 - a) a person chosen by agreement between the parties; or
 - b) in the absence of agreement, a person appointed by the board.
- 5.2. A member of board can be a mediator but may not be a member who is a party to the dispute.
- 5.3. The parties to the dispute must, in good faith, attempt to settle the dispute by mediation.
- 5.4. The mediator, in conducting the mediation, must:
 - a) give the parties to the mediation process every opportunity to be heard;
 - b) allow due consideration by all parties of any written statement submitted by any party; and
 - c) ensure that natural justice is accorded to the parties to the dispute throughout the mediation process.

- 5.5. The mediator must not determine the dispute.
- 5.6. The mediation must be confidential and without prejudice.
- 5.7. If the mediation process does not result in the dispute being resolved, the parties may seek to resolve in a court of law.
- 5.8. Any expenses related to outside contracting of third-party mediators shall be borne equally between the Board and disputing party.

6. Roles and Responsibilities

It is the responsibility of the chair to ensure that:

- Board members are aware of this policy;
- Disputes are handled respectfully, confidentially, and in accordance this policy, the Laws of Saskatchewan and Canada.
